★ SPECIALIZATION SUPPORT ★

The Military Specialization Program (M.S.P) is a faith-centered recovery program for active-duty soldiers and veterans struggling with addiction and life-controlling issues stemming from combat, or non-combat origins. The Veteran's Program is a 16-week program located on 30 acres in Elizabethtown, NC. Through a partnership with Warrior's Journey, not only will our students be engaged in traditional ATC curriculum, but they'll also complete curriculum focused on service-related trauma. The M.S.P will also offer licensed, clinical counseling, electronic assessments, group therapy, and spiritual formation.
